This Is How It Seems To Us

SUN TAN SPECIAL

Local citizens and organizations swung into a down beat this week in preparing to provide ways and means by which Daly City boys and girls could earn their way to summer camp. Present program is aimed at giving every local youngster a ticket of opportunity to sun and fun at Camp Shadowbrook.

Few programs are more worthy of public support than summer camping for boys and girls, styled to fortify them with health defense and mental vigor.

FIGHT FOR EQUIPMENT

Twenty-four hours per day Daly City volunteer firemen are on the alert to protect your life and property. These boys are efficient plus—their record of excellent performance has given Daly City low metropolitan insurance rates at the saving of a high priced, full time, paid fire-fighting force.

Local fire equipment is obsolete. July 1 your fire department is asking a "YES BALLOT" to purchase new fire engines. Volunteer firemen are furnishing manpower to combat every day alarms. Let's match their effort and furnish equipment worthy of the men!

CATTLEMEN vs. SQUATTERS

History is written in blood on Western American plains in stories of cattlemen versus squatters. In the early days cattle roamed the open range. Settlers came to turn the sod and build fences. Cattlemen didn't like the fences to cramp their herds and squatters didn't like cattle in their corn. Feuds were settled with the Winchester or "45".

This historic conflict survives today at the southwestern suburb of Daly City in a quarrel between a hog ranch and residential home builders.

Just as the early cattlemen claimed priority, the hog ranch operator declares that ranches have operated in that vicinity for the past ninety years and that today he is conducting business by virtue of a county permit.

New home owners in the area contend that the ranch does not line up with certain regulations—that in the hogs they see no beauty, hear no music, and smell no good.

Simple solution: Set aside an isolated area in the county where hog raisers could establish ranches and not be molested. County officials claim this would be ideal. Hog raisers pray for such a spot. Home owners demand to be spared their pet grievance. Why not?

DON'T DO IT!

Negative psychology, "Don't do it!", is in order when it comes to pulling false fire alarms, phoning false ambulance calls, and being careless about grass and forest fires.

To these three offenses public officials warn, "Don't do it!"

Patricia O'Brien At Girls' State

When the train from Sacramento pulled out at Oakland, Saturday morning, Patricia O'Brien, 23 Risel street, was on it—bound for one of the most important weeks a California high school girl can experience. She was on her way to participate in Girls' State, sponsored by the American Legion auxiliary.

Patricia, who is sponsored by Daly City Unit No. 410, American Legion auxiliary, was chosen to represent Jefferson Union high school at the second annual Girls' State, which will conclude Saturday. According to Mrs. Marce Trier, Girls' State chairman for the local unit, the girls are learning about government by actual participation.

This week the fair-haired legislators have set up a mock government, which rules two legendary counties and four cities, have elected city officials, formed the framework of two counties, established a State government, chosen its head and inaugurated her.

Police Urge Drivers To Slow Down

Slow down, mister!

That's the admonition to motorists issued from the Daly City police department, this week.

Police Chief J. G. Reardon warns Daly City drivers to be particularly careful now that the schools are closed and children are free to run around the streets.

"Children are thoughtless," said Reardon, "and it's up to the driver to be especially alert. Otherwise, we may have some very regrettable accidents.

"Make safety first your rule," said the head of the local department, "especially safety first for the other fellow."

LITTLE MISS MUFFET

Conduct Lunch Program For Kids At Jefferson High

If little Miss Muffet lived in Daly City she'd never spend any time this summer sitting around on a tuffet, eating curds and whey.

She'd join dozens of other Daly City youngsters who are dining sumptiously each day at Jefferson Union high school cafeteria for **only a nickel.**

The high school, in cooperation with the Surplus Foods administration, is conducting a cost program during July and August, which offers the community's youngsters healthful luncheons each day, except Saturday and Sunday. A typical luncheon is chili beans, fruit salad, roll or bread and jam, hot chocolate or fruit punch, and, usually, oranges and apples. Frequent menu changes will make each day's menu a pleasant surprise.

Youngsters serve themselves, cafetria style, at the high school. Luncheon is served from 11:30 a. m. to 1 p. m. Any child past the milk-and-high-chair stage is welcome.

In charge is Mrs. Grace Nelson, who has been employed for the summer, by Jefferson Union high school. Assisting her will be half a dozen workers from the WPA project. Mrs. Nelson is well-known in Daly City. The summer project has been set up by Miss Amy Behrens, home economics instructor at the high school.

In addition to the daily luncheon for 5 cents, desserts and soda water will be served, at 5 cents extra.

Principal James Ferguson, when interviewed, explained that the summer luncheon program is unique. This community is one of the first to have such a project. The principal pointed out that the program is especially advantageous in that youngsters using the gym, pool or grounds at the high school, may also have a convenient and nourishing lunch there.

Is That You In The Picture?

Were you in the Memorial day or Dedication day parades? Look in the display window of McGraw's Pharmacy, 6300 Mission street, and find yourself!

The largest, most complete series of photographs ever taken in Daly City, are on show in the drug store window. Dale Hovey, proprietor of Daly City Photo Service, and staff photographer of The Record, took the sixty pictures of the parades.

All are mounted enlargements. As a special offer for a limited time, one picture enlargement will be given free with every roll of film finished by Daly City Photo Service.

IT'S NOT TOO LATE!

You're not too late!

Dante P. Lembi Aids In Preparing Text

A better understanding of the nations to the south of the United States is considered of paramount importance by both governmental and educational authorities in this county. To this end, Scott, Foresman and company, famous Chicago publishers of language text books, are preparing to issue a comprehensive text, "Spain in America." It will be the most pretentious effort yet made to acquaint students of the United States with the psychology, customs, traditions and accomplishments of the Spanish-speaking peoples.

Assisting in the preparation of the text, to be issued before the first of the year, is none other than Daly City's own, Dante P. Lembi, popular instructor at Jef-

Dante P. Lembi

ferson Union high school. He left here Monday morning with his wife for Chicago. He will spend at least eleven weeks working on the text.

Lembi, probably best known to local residents as leader of the high school's Indians of Rhythm, has made important contributions to the study of languages. Already, he has had numerous articles published in the "Modern Language Journal." He spent last summer in advance study at Stanford university.

As Lembi explained the scope of the book, its purpose will include the breakdown of chauvinistic hatreds and the building of an intelligent understanding of the interdependence of the countries of the Americas, with particular reference to the contributions and problems of the Spanish-speaking peoples. The three authors, whom Lembi is assisting, are Dr. Rose Arjona, University of Wisconsin, Dr. Carvajol, of the San Antonio schools in Texas, and Miss Friedman, of the Chicago schools.

Lembi will return to Daly City for the opening of school, September 2.

LOTS OF FUN

Several Groups Plan To Sponsor D. C. Youngsters

Fresh air and fun in the big bright outdoors!

That's what is in store for the Daly City boys and girls who are sent to Camp Shadowbrook, Big Basin, for camp. The camp will be held from July 14 to 28 for girls and from August 4 to 18 for boys.

This camp is held yearly to provide outdoor life and camping experiences for boys and girls.

Attending the camp will be boys and girls between the ages of 9 and 16. Fee for each individual will be $6 a week.

Any organization or individual may send one or more young people to the camp, which has been named "Camp Shadowbrook."

Coordinating body for the camp arrangements is Daly City Post No. 410, American Legion. A committee of this organization will assist boys and girls with their plans for going to camp. Check should be made payable to this group.

Application blanks may be procured at the office of R. L. Crane jr., chairman, at 344 Santa Barbara avenue.

For boys and girls who do not have their expenses paid, camp costs may be earned in one of the following three ways: planting and caring for a lawn or garden in the front or rear yard of one's own home; thorough cleaning of the backyard and basement of one's own home; selling subscriptions for the Daly City Record.

BOND ELECTION

Citizens To Vote On Improvement Issue, July 1

The fire department improvement bonds, calling for the expenditure of $40,000, will come up for voting Tuesday, July 1, two weeks from yesterday.

To pass, the bond issue must carry by a two-thirds vote.

A canvass by officials of the Daly City Fire department of local merchants discloses that a big majority are in favor of the passage of the bond.

Firemen are engaged in distributing handbills, explaining what the $40,000 will be spent for, and the need of these expenditures.

The bonds will mature in ten years.

Among many letters received by Fire Chief A. P. Chesney, endorsing the expenditures for improvement of the fire department, last week was an endorsement from the faculty of Jefferson Union High school.

The bond issue has been supported in letters from the Eagles, Colma-Vista Grande Aerie No. 1848, and the Italian American Citizens club of Daly City and Colma.

The text of these letters appears on the editorial page of this issue.

In the handbill issued by the fire department the statement is made that "the Daly City Fire department has always had it in mind that their first duty was to protect the life and property of the residents and taxpayers of Daly City, and to perform this duty as efficiently and economically as possible."

The leaflet declares that with Daly City's growth and building of the past few years it has outgrown the "antiquated" apparat-

But to get the full, delicate lemon flavor, you need a pure, bland shortening like all-vegible. Spry. Then none of the refreshing deliciousness will be covered up, or lost.

Guard President

At President Roosevelt's party for Washington newspaper reporters, guests who had wandered to the south lawn had a queer sensation when they tried to get back into the Mansion and found the doors locked. Peering through the windows they saw that the brightly lighted Red room, the Blue room and the Green room had been suddenly emptied. Before long, a secret service aide came to explain. The rooms had been cleared to allow President Roosevelt to pass through to his private elevator. Just part of closer guarding of the President since the war has become worse.

Geniuses Were Dull

Most of the world's geniuses were not bright children, but were queer, dull, or shy, according to Dr. George Sarton of Carnegie Institution of Washington, recognized as the leading historian of science.

Ice Follies Features Navy In Novelty Number

Ice Follies goes to sea with the novelty presentation Join the Navy in the new 1941 edition of the "world's greatest musical revue on ice," now playing nightly at Winterland, in San Francisco.

Combining comedy, spectacular pair skating, and the favorite of four previous editions of Ice Follies, the Swing Waltz, Join the Navy presents a well-rounded production number. Costuming of the more than score of skaters taking part is distinctly novel.

Starred in this episode are America's outstanding pair skaters, Evelyn Chandler and Bruce Mapes. The latter plays the role of a naval recruiting officer with Miss Chandler as his sea-going sweetheart. Together they present nautical novelties.

McKellen Brothers play the part of two gobs—Brother "Tuffy" as the mildly-abused sailor, and Gil as the bullying shore policeman. This sea-faring setting gives the two well-known Ice Follies performers an opportunity to present a unique routine of spectacular and thrilling acrobatics on skates.

Rounding out and climaxing this nautical episode is the famous Ice Follies "Swing Waltz," with 12 graceful dancing couples gliding swiftly around the ice.

Ruby and Bobby Maxson, the youthful brother and sister team in the Swing Waltz, so captivated Hollywood premiere audiences that Ice Follies' management gave them a special feature spot in the number, permitting them to take a solo encore which has been received by storms of applause. This is the first time in the four-year history of the Ice Follies that any one couple has been singled out of the Swing Waltz.

Matoaka Council Celebrates Flag Day

Flag Day was celebrated by Matoaka Council No. 18, Degree of Pocahontas, with an elaborate and impressive program. It was held last Wednesday at Yosemite hall, San Francisco.

Four star pupils of the Betty Mae dancing school presented a military dance. A drill team from Saccarappa council of Palo Alto assembled "Old Glory" in a beautiful ceremony.

Visitors taking part in the program were Hazel Hansen, pocahontas; Anne Livermore, prophetess; Jessie B. Bishop, keeper of records; Minnie K. White, Vivian Quinn, Dorothy Willimas, John J. Willimas, and "Tobe" McLachlan.

The hall was decorated with many different kinds of American flags, and Miss Gladys Shaylor won a flag by being able to identify most of them.

D. C. Juniors Beat Owl Juniors

Opening their summer season on the right side of the won-lost column, the Daly City Juniors baseball team squeezed out a 10 inning, 4-3 win over the Owl Drug Juniors of San Francisco.

The game was played, Sunday, at Marchbank park.

Valente led the Daly City lads at the plate with three bingles, and Chreisten pitched good ball in the tight spots to earn the victory.

In the other two games, Colma Merchants defeated the Salesian Boys club 6-4. The Colma batters pounded the Salesian pitchers unmercifully for a total of 17 hits. Gianni and Kaysials each collected three.

Batteries for Colma were Gianni and Nova, and for Salesia, Luchessi and Kavanugh.

In the early morning game the Marchbank Park boys battled to a 7-7 tie with the Columbia Park boys. It was the first game the Marchbank team had played, and they showed well.

All the games were under the direction of the Daly City WPA Recreation department.

"Steel Bowl" To Open July 15

Opening July 15 in South San Francisco is the "Steel Bowl," which promises to be one of the very best bowling alleys on the West Coast.

Proprietor of the alleys is I. Scharlin. His alleys will be modern in every respect. They are being built by Jim Howell, who owns the famous Indian Bowl in Palo Alto, which is considered one of the finest in the country.

The opening game will be between South San Francisco and San Bruno. Present will be Elmer Irwin, president of the American Bowling Congress, and L. Anderson, secretary. They will give talks on the fine points of bowling, and will give bowling instruction to those desiring it.

Cost of building the alleys is $30,000. Playing there will be members of the Inter-City league, including Daly City, Colma, Brisbane, South San Francisco, San Bruno, and Millbrae.

The alleys are located at 340 Grand avenue. Scharlin's telephone is S. S. F. 2500.

The alleys are called "Steel Bowl" because of the highly industrialized nature of the town.

Alabama Homicides

Homicides are decreasing in Alabama. There were 29 less homicides in the state in 1939 than in 1938, the state health department vital statistics bureau reports.

ATTENTION: BASEBALL FANS

Baseball fans, attention! (And that means practically everyone in Daly City!)

Four crack semi-pro teams from San Francisco, Lachman Brothers vs. Alhambra Waters, and Ocean View Merchants vs. Papenhausen Hardware Co., will clash on the new green diamond at Marchbank park, Sunday. Starting time of the first game is 12 noon, and of the second, 2:30 p. m. Admission free.

The games were arranged by Al Erle, who books all the San Francisco semi-pro games.

Erle states that the Lachman Brothers nine has been playing five years in the Recreation AA league in San Francisco, during the winter, and plays the best state teams out-of-town between seasons.

The Alhambra Waters team, according to Erle, has played in the San Francisco baseball tournament and is considered stiff competition for any team.

The Ocean View Merchants and the Papenhausen team are old rivals, and are said always to produce a good battle. They play in the Peninsula league.

Both outfits are equipped with new uniforms, and should make a fine showing on the new, well-conditioned field, said Erle. The game will be played under the WPA Recreation department.

The good report of the Owl Drug team, which played at Marchbank park, Sunday, June 8, has started many other San Francisco semi-pro teams clamoring to play on the local field.

Erle intends to book semi-pro games every Sunday to be played at Marchbank park. To add local interest in the games he suggested that Daly City have its own Class A or AA team to compete with the San Francisco nines.

State Fair To Feature Defense Program

Plans for a salute to the nation's defense program and the United Service Organizations, as a feature of the annual California State Fair, opening August 29 in Sacramento, were launched today.

At the same time, directors of the State's Eighty-seventh Exposition designated National Defense as the theme of the 1941 Fair, and approved plans for a colorful military spectacle, with contingents of the army and navy participating.

The board also voted to set aside a special day at the State Fair, August 29 through September 7, in recognition of the work of the United Service Organizations in assisting draftees and defense workers.

Italian American Citizens Club of Daly City and Colma
June 7th, 1941.

Daly City Fire Department,
Gentlemen:

Your communication regarding the special election to be held on July 1st, 1941, to vote on Fire Department Improvement bonds was discussed and considered by our organization at our regular meeting held Friday, June 6th, 1941.

Our members, being virtually all householders in Daly City and Colma expressed their willingness to support the proposed measure which will protect their property and insure the safety of their homes.

Upon motion being duly made, seconded and unanimously carried, our club made its decision to go on record as being in favor of the proposed measure and endorses the said improvement bonds unequivocally.

We wish therefore to assure you that we will do all that is in our power both as a group and individually to insure the passage of said measure, regarding it as not only beneficial to the safety of our homes and families but essential commensurate with the growth and progress of our city.

Sincerely yours,
Italian American Citizens Club of Daly City and Colma,
R. L. Ariani,
President.

Hillcrest Druids Plan Monday Whist

All whist players are invited to attend the regular monthly whist of Hillcrest Circle No. 143, U. A. O. D. The date has been set for Monday, 8:30 p. m., at Masonic hall.

According to the ladies in charge of this affair, many lovely prizes have been procured, including a cash first prize.

In charge of the affair will be Mrs. Eleanor Wilson, first bard and her two supporters, Mrs. Ruth Falardeau, and Mrs. Anna Schmidt.

The group wishes to announce that these whists will be carried on throughout the summer. "We hope to make these parties bigger and better during the summer months," stated the ladies.

OPEN DOOR

On July 1 Daly City voters will go to the polls to decide whether the bonds which will make possible the modernization of the Daly City fire department shall be issued.

The Record has received a number of letters on the issue from local residents, both for and against the issue. Since The Record feels, regardless of its editorial stand, that BOTH sides of every issue should be heard, letters both pro and con on the bond election are published here this week.

us, equipment, and houses it now has.

The money will be spent for several new trucks, the purchase of a lot on which to erect a new house for Company No. 3, two steel drill and hose towers, a new alarm system, and miscellaneous apparatus "to bring the fire department up to date."

Record To Publish Pioneers' Names

Next week The Record will publish names of Daly City's pioneers who were honored at the Marchbank park dedication, June 8. More than three hundred residents, who have had homes in this community for 25 years or more, registered with the committee. A few scattered registrations are still coming in. Committee Chairman Henry Sundermann announced today that the roster was still open and invited pioneers of this community to register by phoning RAndolph 3215 or RAndolph 5376.

"Only those pioneers who have registered will have their names published next week," announced Chairman Sundermann. "If any additional residents are qualified, by living in Daly City for 25 years or more, will they kindly phone the committee in order that they can be included on the list," was Sundermann's appeal.

Anyone who did not obtain a souvenir program, button or ribbon at the dedication program, June 8, may still secure one at Mayor John J. Fahey's office, 3 Wellington avenue.

More Space

If there is too little wall space to arrange furniture attractively, a door which is not absolutely essential could be permanently locked and covered with an appropriate wall hanging. Or if the room is to be repapered, the door might be blocked in with a plywood panel and papered.

Con--

Needless Taxation

The city council has called a special election to find out if the voters of Daly City wish to carry an extra burden of a $40,000.00 bond. This means, if approved by the voters, that the tax payer must dig up $52,000.00 to pay for something which can be had for $30,000.00 and without a bonded indebtedness. The improvements for the fire department can be paid for out of the regular taxes as paid today if spread out over a period of four or five years.

In the years to come, because of the national defense emergency, a heavy tax burden will be placed on the tax payers. Local governmental expenses should not be increased at this time. There is no need at all for a $40,000.00 bond in Daly City at the present time. No one is complaining of the fire service. Our fire losses are low, very low, and we are enjoying a low insurance rate.

If the voters use good judgment at the polls on July 1, our city will not be needlessly taxed. In these trying times let us strive to keep local taxes down and so lessen the national burden.

TRAFFIC COURT

Speed May Save Time—But Not Money

Joseph John Tamburini, Mill Valley, found that travelling at the rate of 75 miles an hour in a 25 mile zone is rather expensive, in Judge Wade H. Clay's court, Friday. After receiving a stern warning he was fined $25.

Charles Stevens Lavmeisten, 1369 Hyde street, payed a $10 fine for going at an excessive rate of speed.

Paying $5 fines for speeding were: Ethel Martha Pasil, Redwood City; Vincent Salandra, 180 Delong street; Warren Paul Witzeman, 261 Acacia; Ira Parke, 1142 Rhode Island street; Farley Harris Archen, Los Angeles; Jay Moser, Sixth street.

Ingrid Bergman, Warner Baxter Star In D. C. Drama

Timeless saga of a family's fight to survive, tense drama of the ageless war of women for the men they love, Columbia's "Adam Had Four Sons" opens tomorrow at the Daly City theatre to reveal one of the most amazingly candid stories ever brought to the screen, the heart-warming story of five fascinating men and the women in their lives! It stars Ingrid Bergman and Warner Baxter with a stellar supporting cast.

Featured in the memorable new film are Susan Hayward, F a y Wray, Helen Westley, Richard Denning, Johnny Downs and Robert Shaw.

Baxter is seen as Adam Stoddard, proud father of four devil-may-care boys. He watches them grow, helps them through their loves and wars and amazing destinies, sees a smoldering-eyed girl capture first one, then another of his sons, sees her seek greedily for new victims, finally to reach after him as well. Miss Bergman, the brilliant star of "Intermezzo," is cast in "Adam Had Four Sons" as Emilie, fiercely devoted to Adam and h i s youngsters, hauntingly lovely, gallantly loyal, understanding and courageous.

As Hester, the modern Scarlett O'Hara, lovely Susan Hayward is said to give the most powerful performance of her young career.

WOMEN READY TO DESTROY each other, to win for themselves five attractive men, Susan Hayward (left) and Ingrid Bergman are meeting each other for the first time in this scene from Columbia's "Adam Had Four Sons," opening at the Daly City theatre tomorrow. Johnny Downs, seen introducing the two women, is a featured member of the stellar cast supporting Miss Bergman and her co-star, Warner Baxter.

George A. Ford Weds San Francisco Girl

Marriage vows were exchanged Sunday, by George A. Ford, Daly City, and Henrietta Niebuhr, San Francisco.

They were married at Our Lady of Perpetual Help church at 3 p. m. Father Thomas Phelan performed the marriage ceremony.

Ford is the son of Ed Ford, office man in the Daly City police department. He is in the flower business in Ocean View at the El Rey Florist shop.

The newlyweds will live at Ford's home, 51 Park avenue. Best man at the wedding was the bridegroom's brother, Gus Ford.

Miss Prescott Bride Of Gerald Felch

Beautifully attired in a lovely lace wedding gown and a trailing white veil, Miss Lillian Prescott, 315 Peoria street, became t h e bride of Gerald H. Felch, 670 Sloat boulevard, San Francisco, Saturday evening. The ceremony was performed by Reverend Willis in the Ocean Avenue Presbyterian church at 7 p. m. A cluster of white gardenias, with a beautiful orchid in the center, composed the bride's bouquet.

Attending the bride as maid-of-honor was her sister, June Prescott. She was dressed in a pale pink gown with a matching net hat, and carried an old-fashioned bouquet.

The bridesmaids, Vivian Thorsen and Marguerite Felch were gowned in blue, and Evelyn Wilson in peach. Each bridesmaid wore a matching headpiece of net and carried an old-fashioned bouquet.

Mother of the bride, Mrs. W. J. Prescott, was dressed in a black evening gown. She wore a beautiful gardenia corsage.

The bride was given in marriage by Mrs. Prescott's brother, G. E. Carlson.

C. Williams acted as best man, and Jack Prescott, Donald Fox and Bob Ottoson were ushers.

After the ceremony, a reception was held in their honor at the No. 4 firehouse. More than one hundred guests attended to bestow congratulations upon the newlyweds.

The young couple left for a honeymoon in Los Angeles and, upon their return, plan to make their home in San Francisco.

...And So Stan Has A New Car

Stan Crane, proprietor of Stan's Service station, Junipero Serra boulevard and San Pedro road, and Frank Bushnell, ambulance driver at Junipero Serra hospital, recently started on a fishing trip to Marin Islands. While crossing the intersection at Golden Gate avenue and Fillmore street another car came hurtling into the rear side of Stan's auto.

Even though Crane's car was wrecked, he and Bushnell got another car and continued their fishing trip. Stan and Frank brought back nine big bass and, besides, a brand new 1941 Chevrolet is now parked at Stan's station.

Friday, Thirteenth, Isn't Always Unlucky

Who says Friday the 13th means bad luck?

It didn't for Mrs. Charles Roberts, 167 Los Banos avenue, as she was presented with a beautiful 12-pound striped bass. That evening she entertained several of her friends at a fish dinner.

Those attending the dinner were: Mrs. John Hart, Mrs. Lee Torkington and Mrs. P. Dormoy. After the dinner, card playing was enjoyed by the guests.

More Interest in Sports

Is interest in athletic affairs slackening because of the European war? Not if attendance at baseball games is any criterion. At the Yankee stadium this summer, 84,000 paid to see a game, the third largest crowd in baseball history. And in the Pacific Coast league, Seattle, until June 5, 1940, drew 27,000 more admissions than during the corresponding period in 1939, and Seattle led the league in attendance in 1939. It seems that people want to get away for a couple of hours from the war news in Europe and welcome the opportunity of going to the ball game or playing a bit of golf.

Women Emancipated

In dry Uzbekistan, where much of the Soviet Union's increasing cotton supply is produced by the aid of irrigation, some three-quarters of the population is made up of Uzbeks, with minority groups of Tatars, Tajiks, Cossacks and Russians. Today—in a country where wives were once bought for so much rice—women are now reported to account for one-third of the industrial workers, many of them skilled as machinists and tractor operators. Others have become teachers, actresses
